

A PRAYER FOR OUR MARRIAGE

Dear Father,

We pray you help us create a safe friendship where we feel secure, accepted, free and enjoyed by each other.

We ask that you help us grow through, and not just go through, our difficult circumstances.

Help us, Lord, to order our finances around values that align with your heart.

Deepen our sense of intimacy in all areas - physical, emotional and spiritual.

Grant us the strength to do whatever it takes to stay committed until death do us part.

May we always be intentional with each other and thankful that you blessed us with the wonderful gift of marriage.

In Jesus name, Amen.
